

Executive Strategy Consultant

Consulting & Troubleshooting for Small Business

Business Strategy | Marketing & Sales | Online-Reputation | Recruitment | Research

What I do

As a natural born critic I see the blind spots, flaws and weak points. In every situation I look for 'the right choice' to solve a problem: analytical, anti-romantic, stimulating. I fancy method, minimalism and cutting-edge tools. As a freelance consultant I take on smaller projects and help clients at a moderate price to professionalize matters. **Can I help you?**
