

## **BUSINESS CONSULTING / MANAGEMENT CONSULTING (ANTWERPEN, BERLIN, FRANKFURT, LUXEMBOURG, MILANO, PARIS, TRIER)**

This 'services brochure' allows to form a quick view on the provider. It is a proxy for the website when in a rush.

### **What I do**

As a natural born critic I see the blind spots, flaws and weak points. In every situation I look for 'the right choice' to solve a problem: analytical, anti-romantic, stimulating. I fancy method, minimalism and cutting-edge tools. As a freelance consultant I take on smaller projects and help clients at a moderate price to professionalize matters. **Can I help you?**

### **Who I am**

Thomas Winterstetter lives in Konz near Trier, Germany. He speaks deutsch, english & italiano. Freelancer or part time inhouse consultant. As an independent advisor, backup, and a proven closer he provides guidance and support to organizations, corporate clients and individuals. He helps with **digitalization and online-issues**. Best practice: made-to-measure services brochures like this one, competence profiles for job application & career, special assignments like winning over the consumer.

### **Client Feedback**

... I have printed our services brochure and it looks very good. It

seems the right thing. I do need such a brochure for our complete range of services. If the current budget allows it please develop a presentation for our entire package.

## **Pricing**

Counselling and other services: commensurate salary by agreement.
